SUMMARY

Front-End Developer with hands-on experience building full-stack web applications using Laravel, Next.js, and Vue.js, backed by an 8-month professional placement at Degeweb focused on web development. Skilled in MySQL database management and crafting responsive, user-friendly interfaces. Eager to bring strong technical foundations and adaptability to a professional development team.

EXPERIENCE

Internship
Degeweb ↗

08/2024 - 03/2025

- Completed an 8-month internship at Degeweb, gaining hands-on experience in web development with a focus on PHP, JavaScript, and WordPress, including theme customization, plugin development, and building dynamic, responsive websites.

EDUCATION

Software Engineering ↗
SMK PGRI 2 Ponorogo - Vocational High School Diploma

06/2023 - 05/2026

Developed full-stack web applications using Laravel, Next.js, and Vue.js, with hands-on experience in MySQL for database design and management. Built responsive front-end interfaces and RESTful backend systems across multiple personal and academic projects, including e-commerce platforms and inventory management systems.
